No Other Christmas Gift Can Compare with the PIANOLA

In any home where there is a Piano

This is shown by the Increasing Demand for These Instruments During the Holiday Season.

The gift of a Pianola is a present to the entire family.

Except from actual experience, no one can realize what a difference the Pianola makes in the use of the piano—in the pleasures of the home.

Even where a piano is in frequent use (and most pianos are NOT) its enjoyment is immeasurably increased because with the Pianola so many more persons can produce the music—themselves—a pleasure entirely different from hearing other persons play.

The Metrostyle Pianola will enable anybody not only to PLAY but to INTERPRET the works of the great composers.

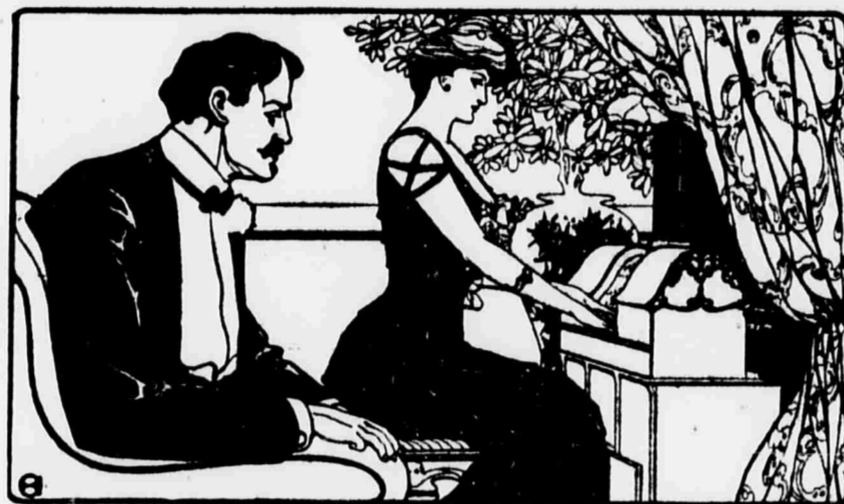

It furnishes the means of striking the right keys at the right moment, in the right sequence and for the right duration, and provides an authoritative interpretation to be followed at your pleasure.

For any one who cares for piano music, there can be nothing so desirable.

An early selection is of importance. Instruments selected now will be reserved for Holiday delivery.

Pianola, \$250.

Pianola with Metrostyle, \$300. Purchasable by monthly payments if desired.

Rich Fur Garments For Women

And Some Quite Remarkable Price News

We are told that this is the busiest Fur Store in the city. That's hearsay. But we do know that

we've been as busy as we could be. And while we have done some remarkable selling, we've had some remarkable Furs to sell. The other day a manufacturer was in to see our buyer, who incidentally asked him what he could supply us a lot of scarfs for, like a certain one in our stock. He said eighty dollars. Our scarfs had come from the best known furrier in the trade, and yet we were selling the scarfs at FORTY Dollars.

Wanamaker Furs are always of the very highest character, and yet prices are always lower than you'll find them elsewhere; and the still more decisive savings are constant. Here are some examples:

Plain Persian Lamb Coats, Leipzig-dyed, bright luster; lined with black satin; worth \$110 at the most conservative valuation. Price, \$72.50.

Plain Persian Lamb Coats, Leipzig-dyed skins; rich brocade lining; worth \$105, at \$115.

Persian Lamb Coats, with full collar and revers of choice chinchilla, mink or blended marten; worth \$225, at \$175.

Among the more elegant furs the savings are still greater, because of our methods of buying. Here are superb genuine Alaska Seal Coats, London dyed, with large sleeves, and rich brocade silk lining, at \$300 and \$325. You'll not match them elsewhere at such prices.

Here are other interesting items:

Black Cloth Coats, 30 inches long; lined with squirrel; Persian lamb collar; suitable for street or carriage wear; at \$45.

Same Coats in longer lengths; squirrel-lined, at \$50, \$75, \$125 and \$200.

Automobile Coat, of Russian calf; collar and cuffs of wolf; lined throughout with squirrel; worth \$300, at \$150.

Squirrel Automobile Coat; ermine collar and cuffs; lined throughout with squirrel; worth \$300, at \$225.

Black Abyssinian Monkey Coats; ermine collar and cuffs; rich brocade lining, at \$225.

Molekin Coats at \$275, \$325, \$500 and \$1000.
